

## **STD and HIV Program**

The City of Milwaukee Health Department's Sexually Transmitted Disease (STD) and HIV Program seeks to prevent the spread of STDs and HIV by providing education to health providers and citizens of the city of Milwaukee, offering preventative and screening and treatment services care to the general population.

The program is primarily supported by the City of Milwaukee with significant assistance from the Wisconsin Division of Health and the Centers for Disease Control and Prevention.

### **Sexually Transmitted Disease Testing**

Milwaukee Health Department offers free screening, treatment, counseling and referrals for sexually transmitted diseases at Keenan Central Health Clinic.

### **Partner Services**

Milwaukee Health Department offers free and confidential (name-associated) HIV counseling, testing and referral, and partner services at Keenan Central Health Clinic on a walk-in basis.

Keenan Central Health Clinic  
3200 North 36th Street  
Milwaukee, Wisconsin 53216  
(414) 286-3631

### **Community Health Education**

Health educators and public health nurses provide health education to schools and community groups in the City of Milwaukee, based on availability of staff. Additionally, the Milwaukee Health Department participates in various community and planning groups at state and local levels to help develop comprehensive STD and HIV prevention and intervention programs.

For more information, contact our Public Health Educator at 414-286-8088.

## STD and HIV Clinic

Keenan Health Center, often referred to as the "STD Clinic," provides STD/HIV related services to uninsured and underinsured residents of Milwaukee and surrounding communities. Services are provided to anyone who is at least 12 years of age at no cost to the client. However, the clinic reserves the right to request insurance reimbursement while protecting each client's confidentiality.

### **STDs / HIV Websites**

**It's Your (Sex) Life** (Sponsored by the Kaiser Family Foundation)

*Itsyoursexlife.com is the official website of MTV and the Kaiser Family Foundation's Emmy Award winning It's Your (Sex) Life public information campaign. Sex can be one of life's most fulfilling*

*experiences. But whether or not you're sexually active, there is information you should have to help you set your own boundaries and make your own choices about sexual activity.*

**I Wanna Know** (Sponsored by American School Health Association)

*Iwannaknow.org offers information on sexual health for teens and young adults. This is where you will find the facts, the support, and the resources to answer your questions, find referrals, and get access to in-depth information about sexual health, sexually transmitted infections (STIs), healthy relationships, and more.*

**Planned Parenthood**

*For more than 90 years, Planned Parenthood has promoted a commonsense approach to women's health and well-being, based on respect for each individual's right to make informed, independent decisions about health, sex, and family planning.*

**Teenwire** (Sponsored by Planned Parenthood)

**Advocates for Youth**

*Established in 1980 as the Center for Population Options, Advocates for Youth champions efforts to help young people make informed and responsible decisions about their reproductive and sexual health. Advocates believes it can best serve the field by boldly advocating for a more positive and realistic approach to adolescent sexual health.*

**Go Ask Alice** (Sponsored by Columbia University)

*Go Ask Alice! is the health question and answer Internet resource.*

**Kids Health** (Sponsored by the Nemours Foundation)

*If you're looking for information you can trust about kids and teens that's free of "doctor speak," you've come to the right place. KidsHealth is the most-visited site on the Web for information about health, behavior, and development from before birth through the teen years.*

**Teen Health Project** (site is under construction)

**AIDS Resource Center of Wisconsin**

*The AIDS Resource Center of Wisconsin is among the largest and most comprehensive AIDS service agencies in the country.*

**Center for Disease Control and Prevention (CDC) Sexually Transmitted Disease Statistics**

**National Center for Health Statistics**

**CDC STD Treatment Guidelines**

**Guttmacher Institute**

*The Guttmacher Institute continues to advance sexual and reproductive health in the United States and worldwide through an interrelated program of social science research, policy analysis and public education designed to generate new ideas, encourage enlightened public debate and promote sound policy and program development.*

## **Contraception / Emergency Contraception**

### **The Emergency Contraception Website**

#### **Contraception Information** (Supported by Bridging the Gap Foundation)

*The mission of Bridging the Gap Foundation is to improve reproductive health and contraceptive decision-making of women and men by providing up-to-date educational resources to the physicians, nurses and public health leaders of tomorrow.*

## **LGBTQ**

### **Milwaukee LGBT Community Center**

*Since 1998, the Milwaukee LGBT Community Center has been a home to the LGBT population of metro Milwaukee, providing culturally sensitive and competent educational, social, and health and wellness services that meet the needs of LGBT youth, adults and their allies.*

### **National Youth Advocacy Coalition**

*The National Youth Advocacy Coalition (NYAC) is a social justice organization that advocates for and with young people who are lesbian, gay, bisexual, transgender, or questioning (LGBTQ) in an effort to end discrimination against these youth and to ensure their physical and emotional well-being.*

## **Parents and Educators**

### **CDC Youth Risk Behavior Surveillance System**

*The Youth Risk Behavior Surveillance System (YRBSS) monitors priority health-risk behaviors and the prevalence of obesity and asthma among youth and young adults. The YRBSS includes a national school-based survey conducted CDC and state, territorial, tribal, and district surveys conducted by state, territorial, and local education and health agencies and tribal governments.*

*Sexuality Information and Education Council of the United States*

### **National Campaign to Prevent Teen and Unplanned Pregnancy**

*The National Campaign to Prevent Teen and Unplanned Pregnancy seeks to improve the lives and future prospects of children and families and, in particular, to help ensure that children are born into stable, two-parent families who are committed to and ready for the demanding task of raising the next generation.*

**Parents, Families and Friends of Lesbians and Gays**

*PFLAG promotes the health and well-being of lesbian, gay, bisexual and transgender persons, their families and friends through: support, to cope with an adverse society; education, to enlighten an ill-informed public; and advocacy, to end discrimination and to secure equal civil rights. Parents, Families and Friends of Lesbians and Gays provides opportunity for dialogue about sexual orientation and gender identity, and acts to create a society that is healthy and respectful of human diversity.*

**The Sexuality Information and Education Council of the United States (SIECUS)**

*SIECUS affirms that sexuality is a fundamental part of being human, one that is worthy of dignity and respect. We advocate for the right of all people to accurate information, comprehensive education about sexuality, and sexual health services. SIECUS works to create a world that ensures social justice and sexual rights.*

**Sexual Assault****Rape, Abuse, and Incest National Network**

*The Rape, Abuse & Incest National Network is the nation's largest anti-sexual violence organization. RAINN operates the National Sexual Assault Hotline at 1.800.656.HOPE and the National Sexual Assault Online Hotline at [rainn.org](http://rainn.org), and publicizes the hotlines' free, confidential services; educates the public about sexual violence; and leads national efforts to prevent sexual violence, improve services to victims and ensure that rapists are brought to justice.*

**Wisconsin Coalition Against Sexual Assault**

*WCASA works to ensure that every victim in Wisconsin gets the support and care they need. WCASA also works to create the social change necessary to ensure a future where no child, woman or man is ever sexually violated again.*
